Subject: Approval for budget of Inter IIT Tech Meet 15.0

Respected Sir,

With respect to the mentioned subject, I would like to propose the budget for the participation of IIT Jodhpur in the Inter IIT Tech Meet 15.0, to be hosted by IIT Guwahati from 11th to 14th December 2026. In the previous edition, IIT Jodhpur delivered its best-ever performance, finishing 8th overall and winning gold in two High Prep Problem Statements, the only IIT to do so (Annexure 1-E). As only the High Prep Problem Statements have been released so far, this budget has been prepared on the basis of the maximum contingent size and the charges specified in the official rulebook (Annexure 2-A). Please find it appended below:

Item	Qty	Per unit (₹)	GST	Total (incl. GST)	Justification
Travel	91	6,035	–	₹ 5,49,185	One-way 3rd AC train travel for the full contingent from Jodhpur to Delhi (₹ 1,035) and Delhi to Guwahati by the 20504 Rajdhani Express (₹ 5,000, meals included), reaching on 10th December within the travel window (Rulebook 3.2). No direct train and no non-Rajdhani train from Delhi has confirmed berths for the contingent (Annexure 1-C). The Rajdhani fare is dynamic and rises as berths are sold. As on date, the rates of 3rd AC in Rajdhani are ₹ 4,135, however tickets are budgeted at ₹ 5,000; it is budgeted at ₹ 5,000 so that the difference serves as a contingency against further increases. Screenshots of the fares are attached (Annexure 2-D). Travel is funded only up to Guwahati.

Faculty Advisor, Inter IIT

Prashant Srivastav
General Secretary, ACT Council

Item	Qty	Per unit (₹)	GST	Total (incl. GST)	Justification
Accommodation & food	91	3,000	5%	₹ 2,86,650	Fee charged by IIT Guwahati for food and accommodation of each offline attendee from 10th to 15th December (Rulebook 3.2, 3.6.1). The accommodation and registration fees of the Admin and High Prep teams (₹ 1,47,384) have already been approved by the DoSA (IITJ/ACT/26-27/GS/021); for the rest, payable with the Bonafide list by 7th December.
Registration fee	91	800	18%	₹ 85,904	Mandatory registration fee for every participant, including the admin team (Rulebook 3.6). Paid at one go for each prep category; the admin registration is paid along with the High Prep fees, already approved by the DoSA (IITJ/ACT/26-27/GS/021).
Resources (provisional)	–	–	–	₹ 25,000	Initial PS-specific requirements, such as API credits, cloud compute or small components, for the High, Mid and Low Prep PS. Any further requirement will be proposed separately with an itemised list and quotations once the PS are released, and procured as per institute norms.
Bus (campus to station)	–	–	–	₹ 12,000	Bus for the contingent from the IIT Jodhpur campus to Jodhpur railway station. The institute bus will be requested first; only if it is not available will a bus be hired from outside.
Miscellaneous	–	–	–	₹ 31,976	Local transport (Delhi Sarai Rohilla to New Delhi station), food during the halt at Delhi, and other unforeseen expenses of the contingent before and during the event, managed by the admin team under the supervision of the Faculty Advisors. Meals on the Rajdhani Express are included in the fare.
Total*				**₹ 9,90,715**	

* Budget heads mentioned above are interchangeable. Expenditure in one head will be adjusted against the savings in another head subject to the condition that the overall budget will not exceed ₹ 9,90,715.

- Every Problem Statement will be participated in to the full extent by students of IIT Jodhpur, subject to faculty approval.
- The full contingent of 91 participants will travel to IIT Guwahati for the final event.

Dr. Bhivraj Suthar Faculty Advisor, Inter IIT	**Dr. Atul Kumar Sharma** Faculty Advisor, Inter IIT	**Prashant Srivastav** General Secretary, ACT Council

- The list of students in the contingent will be approved by the Associate Dean (Student Affairs), as per Appendix 1-B of the Students' Gymkhana Constitution 2026 (Annexure 2-B).
- The event falls during the winter vacation as per the academic calendar, so no classes are scheduled for UG students. Academic leave is requested to be granted to the PG students participating.
- Travel support is requested only from IIT Jodhpur to IIT Guwahati. The return journey from Guwahati, to the campus or home, will be borne by the students themselves.
- The Jodhpur – Delhi fare is the 3rd AC fare as on 29th October 2026. The Rajdhani Express has a flexi fare (₹ 4,135 on 29th October 2026), budgeted at ₹ 5,000 to cover its increase as berths are sold.

Funding of the budget

The Office Memorandum IITJ/OS/OM/Budget Allocation/2026-27/01 dated 29th April 2026 allocates ₹ 8,00,000 under head J.1 (Inter IIT Tech Meet) (Annexure 2-C). The proposed budget of ₹ 9,90,715 exceeds this by ₹ 1,90,715, mainly because the only practical route for the full contingent is through Delhi by the Rajdhani Express, whose dynamic fare has been budgeted at ₹ 5,000 (Annexure 1-C), and because of the bus from the campus to the railway station.

Source	**Amount**
Head J.1, Inter IIT Tech Meet, as per the Office Memorandum	₹ 8,00,000
Additional budget required	₹ 1,90,715
Total	**₹ 9,90,715**

Mode of payment and request for advance

The registration and accommodation & food fees will be paid directly by the office of accounts, IIT Jodhpur to IIT Guwahati on the basis of the proforma invoice / demand note issued by the host institute. Due to the time-sensitive nature of the other payments, it is requested that, instead of post-payment and reimbursement, the travel, resources, bus and miscellaneous expenses, i.e. **₹ 6,18,161**, be issued as an advance to the accounts of the Faculty Advisors, Inter IIT Tech Meet, as follows:

Faculty Advisor	**Budget heads covered**	**Advance**
Dr. Bhivraj Suthar	Resources (₹ 25,000), bus (₹ 12,000) and miscellaneous expenses (₹ 31,976)	₹ 68,976
Dr. Atul Kumar Sharma	Travel tickets (₹ 5,49,185)	₹ 5,49,185
Total advance		**₹ 6,18,161**
Registration and accommodation & food fees of the remaining 55 participants (₹ 51,920 + ₹ 1,73,250), paid directly by IIT Jodhpur to IIT Guwahati on the proforma invoice / demand note		₹ 2,25,170
Registration and accommodation fees, Admin and High Prep (already approved by the DoSA, IITJ/ACT/26-27/GS/021)		₹ 1,47,384
Total budget		**₹ 9,90,715**

Dr. Bhivraj Suthar Faculty Advisor, Inter IIT	**Dr. Atul Kumar Sharma** Faculty Advisor, Inter IIT	**Prashant Srivastav** General Secretary, ACT Council

Time sensitivity of the payments:

- **Travel:** bookings for the journey are already open. As on 29th October 2026, 125 3rd AC berths remain on the Rajdhani Express for 9th December, and its flexi fare has already risen from ₹ 3,685 to ₹ 4,135 as berths are sold. The 91 tickets need to be booked immediately to secure confirmed berths within the budgeted fare.
- **Registration:** the registration and accommodation fees of the Admin and High Prep teams (₹ 1,47,384) have already been approved by the DoSA in IITJ/ACT/26-27/GS/021, as the High Prep PS were released on 11th, 13th, 14th and 16th October 2026 and their registration closed on 28th October 2026. Registrations for Mid, Low and No Prep close 7 days after the release of each PS, and the fees of each prep category must be paid at one go by the stipulated date (Rulebook 3.5, 3.7).
- **Accommodation:** the fees of the Admin and High Prep teams will be billed together with their registration fees a few days after 28th October 2026; the fees of the rest of the contingent must be paid along with the Bonafide list by 7th December 2026. Both will be paid directly by IIT Jodhpur on the proforma invoice / demand note of IIT Guwahati.

Settlement: the advance will be settled by submitting copies of the travel tickets and the bills for the bus, resources and miscellaneous expenses to the concerned office, and any unspent amount will be returned. Invoices for every payment will be maintained and shared with the Faculty Advisors and all relevant offices.

We request the approval of the budget, including the additional budget of ₹ 1,90,715, and the release of the advance at the earliest, so that the registrations, payments and travel bookings can be completed within the deadlines and IIT Jodhpur can deliver its best performance in the Inter IIT Tech Meet 15.0.

Team selection

- Each Problem Statement will be floated among the students as soon as it is released, and teams will be formed from the responses received.
- The teams will be evaluated by the Faculty Advisors, Inter IIT Tech Meet and the Associate Dean (Student Affairs), and the final team will be recommended.
- The selection follows Appendix 1-B of the Students' Gymkhana Constitution (Annexure 2-B): the Contingent Leader is selected by the GS and Faculty Advisors with DoSA approval; the Deputy Contingent Leaders and Domain Leads by the GS and Contingent Leader with Faculty Advisor approval; and the contingent members by the CL, DCLs and Domain Leads with ADSA approval.
- The High Prep teams will be registered by 28th October 2026, and the Mid, Low and No Prep teams within 7 days of the release of each PS (Rulebook 3.5 (4)). The fees of the Admin and High Prep teams are already approved by the DoSA in IITJ/ACT/26-27/GS/021, and the rest will be paid directly by IIT Jodhpur to IIT Guwahati on the proforma invoice / demand note.

Annexure 1-C : Travel and accommodation (Rulebook 3.2)

The travel window is 8th–10th December 2026, and accommodation at IIT Guwahati is provided from 08:00 hrs on 10th December. The Opening Ceremony is in the second half of 10th December, no contingent may arrive before 8th December, and an earlier arrival costs ₹ 600 (+ 5% GST) per person per day (Rulebook 3.2). The proposed route is:

Leg	Train	Departure	Arrival
IIT Jodhpur – Jodhpur Jn.	Bus (institute bus, or hired if not available)	Tue 8 Dec, afternoon	Tue 8 Dec, before 18:30
Jodhpur – Delhi	22481 Jodhpur–Delhi Sarai Rohilla SF Express	Tue 8 Dec, 18:30 (JU)	Wed 9 Dec, 05:20 (DEE)
Delhi – Guwahati	20504 Dibrugarh Rajdhani Express	Wed 9 Dec, 11:25 (NDLS)	Thu 10 Dec, 18:15 (GHY)

Comparison of routes

The 3rd AC (3A) fares and availability, as on 29th October 2026, of the direct train 15623 Bhagat Ki Kothi–Kamakhya Express, the 15657 Brahmaputra Mail, the 20504 Dibrugarh Rajdhani Express and the 22481 Jodhpur–Delhi Sarai Rohilla SF Express are attached as screenshots in Annexure 2-D. The contingent needs 91 confirmed berths on the same train.

Justification for the proposed route

- Direct trains are not available for the contingent: the only direct train from Jodhpur in the travel window, the 15623 Bhagat Ki Kothi–Kamakhya Express, reaches Kamakhya at 22:00 on 10th December, after the Opening Ceremony, with only 26 3A berths available, and the other direct train, the 15631 Barmer–Guwahati Express, reaches 1.5 days before the accommodation begins.
- The non-Rajdhani trains from Delhi are also not available: the North East Express has no confirmed berths (3A on RAC), and the Brahmaputra Mail has only 20 3A berths, far short of the 91 needed, with an unsafe 75-minute connection across Delhi stations. The 12424 Rajdhani Express is already waitlisted.
- The 20504 Rajdhani Express is therefore the only option with confirmed berths for the full contingent. It reaches Guwahati on 10th December, within the travel window and without additional accommodation charges, and its fare includes meals for the 31-hour journey.
- The Rajdhani fare is dynamic and rises as berths are sold; it rose from ₹ 3,685 to ₹ 4,135 within a week. It is therefore budgeted at ₹ 5,000 per person, so that the difference serves as a contingency against further increases until all 91 tickets are booked.
- For the Jodhpur – Delhi leg, the 22481 Express has the most available berths (193) and arrives at 05:20, leaving a buffer of six hours before the Rajdhani departs. The 22491 Mandore Express (124 berths, ₹ 1,020, arriving 06:45 at Delhi Jn.) and the 15623 Express (130 berths, ₹ 985, arriving 04:40 at Delhi Jn.) are alternatives (as on 26th October 2026).
- For the journey from the campus to Jodhpur railway station, the institute bus will be requested first; only if it is not available will a bus be hired from outside (₹ 12,000 budgeted).

Travel is requested only up to Guwahati; the students will bear their return journey to the campus or home after the event.

Annexure 1-D : Registration fees and payment (Rulebook 3.6, 3.7)

- Registration fee: ₹ 800 (+ 18% GST) for every participant, including the admin team and members of SAC and EC (Rulebook 3.6).
- Food and accommodation: ₹ 3,000 (+ 5% GST) per offline attendee (Rulebook 3.6.1).
- Payments are to be made through the institute portal or fund transfer, at one go for each prep category, and the proof of payment is to be submitted to the Organising Committee (Rulebook

3.7). Other than the Admin and High Prep fees already approved by the DoSA in IITJ/ACT/26-27/GS/021, these fees will be paid directly by IIT Jodhpur to IIT Guwahati on the basis of the proforma invoice / demand note issued by the host institute.

Annexure 1-E : Performance at the Inter IIT Tech Meet 14.0

At the Inter IIT Tech Meet 14.0, hosted by IIT Patna in December 2025, IIT Jodhpur delivered its best-ever performance, finishing **8th overall among the 23 IITs with 2,163 points**, ahead of IIT Patna, IIT Roorkee and IIT Bombay. This continues a steady rise over the last three editions:

Edition	**Overall rank**	**Points**
Inter IIT Tech Meet 12.0	15th of 20	625
Inter IIT Tech Meet 13.0	10th of 23	1,202
Inter IIT Tech Meet 14.0	**8th of 23**	**2,163**

The highlight was the High Prep category, which carries the most points: IIT Jodhpur won **gold in two of the four High Prep Problem Statements**, by Arista Networks and Pathway, and was **the only IIT to win two High Prep golds**. The contingent also won silver in the GenuityIO Problem Statement, tied on points for second place, and bronze in the Students' Academic Conference (SAC), and finished in the top 10 in 10 of the 15 events in which it was ranked.

Event	**Position**
Arista Networks (High Prep)	Gold (1st)
Pathway (High Prep)	Gold (1st)
GenuityIO	Silver (joint 2nd)
Students' Academic Conference (SAC)	Bronze (3rd)
Adobe	6th
Eternal	7th

The full participation of the contingent in every Problem Statement, as proposed in this budget, is essential to build on this result at the Inter IIT Tech Meet 15.0.

- The fees for all High Prep PS, Board Meet and Admin registration can be paid together.
- The fees for all the Mid Prep PS, SAC, and EC can be paid together.
- The fees for all the Low and No Prep PS can be paid together.

7. The Technical Secretary (or equivalent) of each participating IIT is required to submit an attested copy of the roll number pattern used for both offline and online students, attested by the Dean (Students), Dean (Academics), or the Registrar (Students), to the Host by 15th October 2026. The submission shall be made through the Google Form circulated by the Organising Committee. Additionally, the submission must explicitly indicate the registration pattern of the offline students, as only the offline roll number pattern will be permitted for participation in Inter IIT Tech Meet 15.0.
8. IITs that do not offer online degrees must also follow the process of obtaining attestation for the single/only roll number pattern of their offline students.
9. It is the responsibility of the Admins of respective IITs to ensure that only offline bonafide students are registered for participation. The organizing committee will cross-check the registered students for verification. In case of non-compliance, the contingent will face disqualification from the particular Problem Statement.
10. The Technical Secretary (or equivalent) of the IIT is also required to submit a copy of Bonafide, attested either by the Dean (Students) or the Registrar (Students), with all the details of the members participating in the Inter IIT Tech Meet 15.0 to the Hosts by 7th December 2026.
11. The accommodation charges, for the participants who would be visiting the IIT Guwahati campus for the final event, should be made on or before together along with the submission of the list of Bonafide students.
12. Participant data collected during registration will be used solely for event-related purposes.
13. Participants may compete in multiple Problem Statements (PS), provided their Contingent Leader registers them using the exact same credentials for every PS during the official registration period.
14. For No-Prep PS, a member of a participating IIT may represent another member of the same contingent, provided that the Contingent Leader informs the Organising Committee by 10th December 2026, and both the replaced and replacing members are registered members of the participating IIT's contingent.

3.6 Registration Details

1. All participants of the events (including the Secretary, CLs, DCLs, members of SAC and EC) will be required to pay Rs. 800/- (+ 18% GST) for registration.
2. During registration, the IITs will have to furnish the following details for all the participants:
   - Name, Phone Number, Photo
   - Email (Institute Email)
   - Discord ID
   - Scanned Copy of Institute ID Card
   - T-Shirt Size
   - Food Preference

Dr. Bhivraj Suthar
Faculty Advisor, Inter IIT

Dr. Atul Kumar Sharma
Faculty Advisor, Inter IIT

Prashant Srivastav
General Secretary, ACT Council

3. Team composition and maximum team sizes will vary based on the nature of each event.
4. The details finally submitted during registration will not be allowed to be edited under any circumstance.
5. In the event of discovery of impersonation or an unregistered individual participating, the entire contingent associated with that respective event will be disqualified. Based on the severity of violation, the organizing committee in consultation with the Advisory Committee holds the exclusive right to disqualify the entire contingent.

3.6.1 Registration of Offline Attendees

1. For those members who wish to visit the IIT Guwahati campus for the final event, an additional fee of Rs. 3000/- (+ 5% GST) will be levied for the purpose of food and accommodation.
2. It is not mandatory for all the members of the contingent to be present offline during the final event.
3. If a participant decides to change their status of visit, the fee paid will not be refunded.
   - However, the fee can be adjusted to accommodate another registered member of the IIT's contingent (can be from a different PS also).

3.7 Payment Gateway

1. An option will be provided to update the status of visit. But in the case that the person is unable to visit for any reason, the fee paid will not be refunded.
   - However, another registered member of the contingent (may not be of the same PS) can be sent in place, without payment of additional fees.
2. The IITs will have to pay the registration fees and the accommodation charges through Institute portal or via fund transfer.
   - The registration fees can be paid at one go for each prep category.
   - The accommodation charges can be paid at the end, along with the submission of the Bonafide list of participants.
3. Upon completion of every payment, the proof of payment must be submitted to the Organizing Committee. The payment status will be updated only after verification of the submitted proof.

3.8 Guidelines

1. All Reports must be typed using either Helvetica or Garamond font (or in LaTeX) with a minimum font size of 10 points and 1.15 letter spacing.
