1 Institute Rules

1.1 General Rules

1. Participants must obey all local and national laws during their visit to IIT Guwahati and the city of Guwahati. Any violations may lead to legal consequences.

1.2 Campus Rules

1. IIT Guwahati has several restricted areas, including water bodies, viewpoints, hills, hostels, laboratories, and academic facilities. Participants are strictly prohibited from entering or accessing such areas without prior permission from the Institute or the Organizing Committee.
2. IIT Guwahati is committed to sustainability and environmental conservation. Participants are encouraged to minimize their ecological footprint, conserve resources, and help keep the campus clean and litter-free.
3. Maintain a reasonable noise level inside the campus. Excessive noise can disturb other residents and impact the peaceful environment of the campus.
4. IIT Guwahati is a restricted vehicle zone. Use of unauthorized motor vehicles (including cars, motorcycles, and scooters) inside the campus is strictly prohibited. Participants are free to use the public transport (auto rickshaws, cabs) or transportation (buses) provided by the institute.
5. IIT Guwahati is a restricted air space and is classified as a "Red Zone" according to the DGCA guidelines. Flying any form of aerial vehicle inside the limits of the campus, without prior permission, is strictly prohibited.
6. Any form of vandalism or damage to the campus property, including buildings, hostels, equipment, or facilities, is strictly prohibited. Stealing/damaging of student or institute property is strictly not allowed. Participants will be held responsible for any intentional damage caused and action will be taken.
7. Smoking and possession/consumption of alcohol or drugs are not allowed inside the campus.
8. Items such as weapons, flammable materials, explosives, or any other dangerous objects are strictly prohibited on campus.
9. Harassment, discrimination, or any inappropriate behavior towards fellow participants, students, judges, faculty, and staff members will not be tolerated.
10. Engaging in any form of fighting is strictly prohibited inside the campus. If anyone is found indulging in such activities then strict action will be taken against them.
11. Participants must refrain from engaging in any unauthorized solicitation or promotion of products, services, or events on the IIT Guwahati campus.
12. To ensure the safety and coordinated movement of all contingents during Inter IIT Tech Meet 15.0, the following entry and exit timings will be strictly enforced across all campus gates
    - **Main Gate:** Entry is permitted 24/7, exit is allowed until 10:30 PM.
    - **Khokha & KV Gate:** Entry and exit are permitted from 5:00 AM to 10:00 PM.

1.3 Hostel Rules

1. Participants shall be restricted to their designated hostels. Entry into hostels designated for the opposite gender shall be permitted only in common areas (Hostel TV Room, Hostel Common Area) during visiting hours and subject to the conditions prescribed by the Institute/Hostel Affairs Board.
2. Any individual found in violation will be subject to disciplinary action, which may include immediate expulsion from the premises.

1.4 Participant Rules

1. All participants must carry both their Institute ID card and the Tech Meet ID card with them at all times. They might be subject to checking at any point of time during their stay at IIT Guwahati.
2. In addition to the general rules, participants should follow any specific rules or guidelines provided by the event organizers for each competition during the Inter IIT Tech Meet.

1.5 Terms and Conditions

1. All information shared during the challenge, including results, technology, design, data, and financial details, is confidential. It must not be made public without consent from the relevant parties.
2. IIT Guwahati provides no express or implied representations, conditions, or warranties regarding the Intellectual Property developed during the 15th edition of Inter IIT Tech Meet. IIT Guwahati holds no liability for any damages arising from the 15th edition of Inter IIT Tech Meet.
3. IIT Guwahati does not offer warranties or representations regarding the Problem Statement (PS) or the Results. IIT Guwahati is not liable for any disputes, differences, or obligations among the competing parties and the industrial partner.
4. The organizers reserve the right to make changes to the competition format, rules, or schedule if necessary. Participants will be informed of any modifications promptly.

2 Events

2.1 High Prep

These are the competitions that involve proof-of-concept demonstration, implementation etc., that happen during the meet. This requires extensive preparation of any prototypes, submissions, etc., from the contingent as directed by the Problem Statement. The problem-solving will require sustained efforts of 4–10 weeks or more with weekly input of 10–30 hours. A significant amount of prototyping costs/resources will be involved in high-prep competition.

2.2 Mid Prep

These are the competitions that involve demonstrations or presentations that happen during the meet. This may require the preparation of some prototypes, submissions, etc., from the contingents as per the Problem Statement. The problem-solving will require a sustained effort of anywhere between 2–4 weeks with weekly input of 8–20 hours.

2.3 Low Prep

These are the competitions that involve presentations that happen during the meet. This may require the preparation of some submissions, etc., from the contingents as per the problem statement. The problem-solving will require a sustained effort of anywhere between 4–7 days.

2.4 No Prep

These are the competitions that require on-the-spot efforts with no prior preparation of any prototypes, submissions, etc., from the contingent.

2.5 Students' Academic Conference

The Students' Academic Conference (SAC) offers a unique opportunity for undergraduate and postgraduate students from all disciplines to present their research work and network with like-minded people who share the same research interests.

2.6 Engineers' Conclave

The Engineers' Conclave (EC) is a platform for students to showcase their ideas that address critical issues in varied engineering sectors. This event provides an opportunity for the students to interact with industry professionals and peer students from other IITs.

3 Inter IIT Tech Meet 15.0 Overview

3.1 Dates

Inter IIT Tech Meet 15.0: 11th–14th December 2026

1. Release of the High Prep PS: 10th October–20th October 2026
2. Mid Term Submission date for High Prep PS: 9th November - 12th November
3. Release of the Mid Prep PS: 27th October–7th November 2026
4. Release of the Low Prep PS: 25th November–30th November 2026
5. Release of the No Prep PS: 11th December–13th December 2026
6. Call for Papers (SAC): 31st October 2026
7. Call for Projects (EC): 31st October 2026

3.2 Accommodation

1. The designated travel window is 8th to 10th December 2026. Accommodation at IIT Guwahati shall be provided from 08:00 hrs on 10th December to 10:00 hrs on 15th December 2026. The Opening Ceremony shall be held in the second half of 10th December 2026. Contingents arriving between 10th December midnight and 8 AM shall inform the Organising Committee in advance and shall incur no additional accommodation charges. No contingent shall arrive before 8th December 2026.
2. In the case that any IIT wishes to extend the period of stay, an extra fee of Rs. 600/- (+ 5% GST) per day shall be levied per person. Accommodation beyond the specified dates can be arranged only upon special request made before the payment of accommodation fees.

3.3 Points

The evaluation criteria for each event will be mentioned along with the Problem Statement.

Category	**Maximum Points**
High Prep	600
Mid Prep	400
Low Prep	250
No Prep	150
SAC	$3 \times (30 + 10^{a})$
EC	$2 \times (30 + 20^{b} + 5^{c} + 5^{d})$

[a]Top 3 from each Category [b]Prototype (Graded) [c]Patent filed [d]Industry adoption

3.4 Contingent Details

Category	Maximum Members
Admin[a]	$3 + 1$ (optional)
High Prep	8×4
Mid Prep	6×5
Low Prep	4×3
No Prep	2×3
SAC	1×3
EC	2×2

[a]Technical Secretary (or equivalent), Contingent Leader and the Deputy Contingent Leader

3.5 Registration

1. The registration for all the IITs will be through the official website of the Inter IIT Tech Meet 15.0.
2. Each IIT will be provided an exclusive account with which they can log in to the portal. The credentials will be shared through Email to the General Secretary.
3. The registrations for Secretary, Contingent Leader, and the Deputy Contingent Leader (nominated) should be completed by 7th October 2026, 11:59 PM.
4. The registration for an event will open immediately after the release of a Problem Statement and will close within the date specified (will be communicated with the PS) .
   - The registrations for the High Prep category shall close by 10 days after the release of the Problem Statement.
   - The registrations for the Mid Prep category shall close by 7 days after the release of the Problem Statement.
   - The registrations for Low Prep and No Prep shall close by 7 days after the release of the Problem Statement or at least 10 days before the commencement of the final event.
   - The registrations for SAC and EC shall close by 1 month after the Call for Papers (or Projects respectively).
5. The registration for all the members of a particular PS should be done at one go. Partial registrations or edits will not be entertained.
6. The registration fees for all the events of a prep category will have to be paid by a stipulated date communicated by the official channels.

- The fees for all High Prep PS, Board Meet and Admin registration can be paid together.
- The fees for all the Mid Prep PS, SAC, and EC can be paid together.
- The fees for all the Low and No Prep PS can be paid together.

7. The Technical Secretary (or equivalent) of each participating IIT is required to submit an attested copy of the roll number pattern used for both offline and online students, attested by the Dean (Students), Dean (Academics), or the Registrar (Students), to the Host by 15th October 2026. The submission shall be made through the Google Form circulated by the Organising Committee. Additionally, the submission must explicitly indicate the registration pattern of the offline students, as only the offline roll number pattern will be permitted for participation in Inter IIT Tech Meet 15.0.
8. IITs that do not offer online degrees must also follow the process of obtaining attestation for the single/only roll number pattern of their offline students.
9. It is the responsibility of the Admins of respective IITs to ensure that only offline bonafide students are registered for participation. The organizing committee will cross-check the registered students for verification. In case of non-compliance, the contingent will face disqualification from the particular Problem Statement.
10. The Technical Secretary (or equivalent) of the IIT is also required to submit a copy of Bonafide, attested either by the Dean (Students) or the Registrar (Students), with all the details of the members participating in the Inter IIT Tech Meet 15.0 to the Hosts by 7th December 2026.
11. The accommodation charges, for the participants who would be visiting the IIT Guwahati campus for the final event, should be made on or before together along with the submission of the list of Bonafide students.
12. Participant data collected during registration will be used solely for event-related purposes.
13. Participants may compete in multiple Problem Statements (PS), provided their Contingent Leader registers them using the exact same credentials for every PS during the official registration period.
14. For No-Prep PS, a member of a participating IIT may represent another member of the same contingent, provided that the Contingent Leader informs the Organising Committee by 10th December 2026, and both the replaced and replacing members are registered members of the participating IIT's contingent.

3.6 Registration Details

1. All participants of the events (including the Secretary, CLs, DCLs, members of SAC and EC) will be required to pay Rs. 800/- (+ 18% GST) for registration.
2. During registration, the IITs will have to furnish the following details for all the participants:
   - Name, Phone Number, Photo
   - Email (Institute Email)
   - Discord ID
   - Scanned Copy of Institute ID Card
   - T-Shirt Size
   - Food Preference

3. Team composition and maximum team sizes will vary based on the nature of each event.
4. The details finally submitted during registration will not be allowed to be edited under any circumstance.
5. In the event of discovery of impersonation or an unregistered individual participating, the entire contingent associated with that respective event will be disqualified. Based on the severity of violation, the organizing committee in consultation with the Advisory Committee holds the exclusive right to disqualify the entire contingent.

3.6.1 Registration of Offline Attendees

1. For those members who wish to visit the IIT Guwahati campus for the final event, an additional fee of Rs. 3000/- (+ 5% GST) will be levied for the purpose of food and accommodation.
2. It is not mandatory for all the members of the contingent to be present offline during the final event.
3. If a participant decides to change their status of visit, the fee paid will not be refunded.
   - However, the fee can be adjusted to accommodate another registered member of the IIT's contingent (can be from a different PS also).

3.7 Payment Gateway

1. An option will be provided to update the status of visit. But in the case that the person is unable to visit for any reason, the fee paid will not be refunded.
   - However, another registered member of the contingent (may not be of the same PS) can be sent in place, without payment of additional fees.
2. The IITs will have to pay the registration fees and the accommodation charges through Institute portal or via fund transfer.
   - The registration fees can be paid at one go for each prep category.
   - The accommodation charges can be paid at the end, along with the submission of the Bonafide list of participants.
3. Upon completion of every payment, the proof of payment must be submitted to the Organizing Committee. The payment status will be updated only after verification of the submitted proof.

3.8 Guidelines

1. All Reports must be typed using either Helvetica or Garamond font (or in LaTeX) with a minimum font size of 10 points and 1.15 letter spacing.

2. Submissions to all the PSs should be made through the portal.
3. All submissions must be turned in by the specified deadline. Late submissions will lead to point deductions as detailed below Penalties Section.
4. Participants must ensure that all work presented in the Reports is original and does not violate any copyright or intellectual property rights. The reports may undergo plagiarism checks using software tools (decided by the judge).
5. Participants are expected to maintain the highest standards of ethical conduct during the event. Any unethical behaviour, including cheating or unfair practices, may result in disqualification.
6. The use of paid APIs or licensed software in generating solutions must be explicitly disclosed. Any violation may lead to penalties or disqualification, as deemed appropriate by the stakeholders.
7. No member of the Organizing Team will be allowed to participate in the contingent and in case of any malpractice found from any Organizing Committee member, disciplinary action will be taken against them.
8. Photography and videography during events and presentations are strictly prohibited. The Organizing Committee will record all presentations for every Problem Statement.
9. No one is allowed to leave the stage/podium before finishing their presentation. If, for any reason, the podium must be vacated before the presentation is complete, it will be done with an organizing team member accompanying the presenters.
10. The Organising Committee shall provide each participating IIT with the unnormalized scores of that respective IIT prior to the Contention Meet.
11. All evaluation and judging for the Problem Statements will be conducted in a single, final round.

3.9 Presentations

1. The order of the presentation for each event will be random permutation of Team IDs.
2. The duration of the presentation will be capped to a specified length (in minutes) which will be conveyed a-priori to the final event. Exceeding the stipulated time will attract penalties as detailed below in the Penalties Section.
   - However, the interaction or the question answering will not be timed (hence cannot be subject to penalties).
3. Only members registered for a particular PS shall be permitted to attend its offline presentations during the Tech Meet. Any violation of this rule shall attract a penalty as determined by the Organising Committee.

3.10 Contentions

1. In cases where an IIT believes that a discrepancy has occurred due to a judge's oversight, or where the instructions provided during online sessions or in the Problem Statement guidelines appear to have been contradicted, the contingent may raise the issue through a designated query form. The Organizing Team will review the submission and discuss the matter with the concerned judge(s). If, upon review, the judge acknowledges the discrepancy, appropriate penalties or corrections shall be applied at their discretion.

2. In order to regulate the process of raising contentions, contentions directed toward PS violations shall only be raised immediately after the presentation of each team.
3. After each presentation or demonstration, a brief window of 3 minutes will be provided for all IITs to raise contentions through a contention portal.
   - A provision will be made available on the portal to raise contentions.
4. All raised contentions will be communicated to the judges for consideration, and they will conduct investigations accordingly.
5. Each IIT will receive a set number of contentions per event (3 each for High Prep and Mid Prep, 2 each for Low and No Prep).
6. If the judges find the contention valid, the contention will be refunded to the raising IIT.
7. After investigation, if the accused IIT is indeed in violation,
   - The accused IIT shall be given a chance to defend themselves.
8. Grading and final scoring will be done after all the contentions are addressed, and the decisions made by the judges will be reflected in the final scores. The decision made by the Judges will be final.
9. The penalties applicable to each accepted contention shall be specified along with the respective contention and presented during the Contention Meet. No discussion or deliberation on the specified penalties shall be entertained during the Contention Meet.
10. There will be no contention raised in SAC regarding the disclosure of an IIT's name, except in specific cases as listed below:
    - If the IIT's name is displayed on the poster.
    - If the presenter explicitly mentions their IIT's name to the judges.
11. Any non-technical contention not covered in this rulebook or constitution will be addressed by the Organizing Committee at the final contention meet.

3.11 Penalties

1. If any IIT is found in violation of any of the rules mentioned in the Rule Book or the Constitution, the entire contingent may face possible disqualification.
   - If a student is found in violation of the institute rule, the incident will be reported to the respective college, and disciplinary action will be taken according to IIT Guwahati policy.
2. If any member of the contingent is found to have communicated with the company (or the judges) that proposed the Problem Statement, the entire contingent may be subject to potential disqualification.
3. In the event that any IIT is found guilty of plagiarism, the IIT will be disqualified from participation in that particular event.

4. The results presented in the Final report must be replicable. Any inconsistency between the reported metrics and the metrics generated using the provided codes/approach will result in a 100% penalty for that stage of the event.
5. In the event that any IIT reveals its name, intentionally or otherwise, at any point of time during the event, a 50% penalty shall be levied on the points allocated to that stage of the event.
6. Late submissions shall attract penalty on the points allocated to that stage of the event, according as:
   - For delays up to 10 minutes—a penalty of 25% shall be levied.
   - For delays between 10 and 60 minutes—a penalty of 75% shall be levied.
   - For delays beyond 60 minutes—a penalty of 100% shall be levied.
7. Exceeding the allotted time during the final presentation shall attract penalty on the points allocated to that stage of the event, according as:
   - By less than 10 seconds—a penalty of 5% shall be levied.
   - By a time between 10 and 30 seconds—a penalty of 10% shall be levied.
   - By a time between 30 and 60 seconds—a penalty of 15% shall be levied.
   - By a time greater than 60 seconds—a fixed penalty of 25% shall be levied and an additional 15% per minute after that.
8. Exceeding the allotted page limit shall attract penalty on the points allocated to that stage of the event, according as:
   - By one page—a penalty of 20% shall be levied.
   - By more than one page—an additional 10% penalty per page.
9. Teams must strictly adhere to the deliverable requirements outlined in the submission guidelines for each Problem Statement (PS). These guidelines will explicitly state whether additional deliverables are permitted. If permitted, no penalty applies. If extra deliverables are prohibited, any unauthorized supplementary submissions will incur a penalty at the judge's discretion.

3.12 IP Rights

1. The IP rights of the product developed as part of Tech Meet belong to the Individual/Group of Individuals/Organization who created it.
2. Any changes to this arrangement will be specified in each Problem Statement. The registered contingent members will be required to enter into a contract with the company before the event, in such cases.
3. The organizing team or the Host IIT bears no responsibility for protecting the IP rights of participants. It is at the discretion of participants whether to showcase or demonstrate a product/solution/research for which a patent is pending.

4 Miscellaneous

4.1 Communication Channel

4.1.1 Email

1. All final announcements shall be made through the official email ID convenor.techmeet15@iitg.ac.in. One email thread shall be maintained for each Problem Statement, and all announcements made through the official email shall be considered final and binding.
2. Announcements made on email will be final and binding.
3. All announcements and communications regarding fee payment made through the official email ID accounts.techmeet15@iitg.ac.in shall be considered final and binding.
4. If there is any conflict of interest in the discussions across mediums, the ones made via email will supersede all others.

4.1.2 Discord

All official communication shall be conducted via Discord. Moderators will add registered participants to the Discord server and assign them relevant roles. Please ensure that the correct Discord ID is entered at the time of participant registration. Any requests for changes to the Discord ID will not be entertained once the registration is completed. General Rules to be followed on Discord:

1. Official language of communication is English. Any violation shall result in a timeout, and the messages will be purged.
2. Be friendly and polite at all times, do not insult others. Harassment, abuse, hate speech, racist remarks, sexual slurs, and downright disrespect will not be tolerated.
3. If there is any conflict of interest in the discussions across mediums, the ones made via email will supersede all others.
4. No explicit, offensive, or inappropriate language or media.
5. Do not disclose your or other users' personal data without their consent.
6. Use relevant channels. Utilize appropriate channels for discussion on specific topics. Refrain from discussing off-topic in a channel.
7. Do not tag Community Team members, including moderators, repeatedly or without need.

4.2 Organizing Team

Name	Designation	Contact Number
Amar Krish Dubey	Convener	+91 83693 45328
