Subject: Proposal for Conducting a 24-Hour KAGGLE Hackathon

Respected Ma'am,

This proposal details the plan for conducting a 24-hour Kaggle hackathon organised by RAID Society, under the Academic, Career & Technology (ACT) Council, along with the associated schedule, infrastructure requirements, prize pool and funding, and permissions requested.

1. Event Overview

Event Type: 24-Hour AI kaggle hackathon
Proposed Date: 23rd-24th January
Venue: Lecture Hall Complex (LHC 110)
Organized By: RAID
Target Participants: All IITJ Students
Expected Participation: ~100-120 students (25-30 teams)

About RAID:

RAID is the official AI Society of IIT Jodhpur. Over the past years, RAID has successfully conducted multiple paper reading sessions, technical sessions, Kaggle competitions, and large-scale student programs aimed at building a strong AI culture on campus.

A detailed brochure containing information about RAID, its vision, and the events conducted during the current academic year can be accessed here:
Link:
`https://drive.google.com/file/d/1p4CPiuD3rGRIE-0ADGkFkOUbUsPz8cIa/view?usp=sharing`

2. Objective of the Hackathon

The objective of the 24-hour hackathon is to:

- Encourage problem-solving, innovation, and enthusiasm for AI
- Provide students with hands-on experience in Advanced AI and Machine Learning
- Promote practical application of AI Architectures
- To start the culture of large scale Kaggle competitions organised by IITJ

3. Hackathon Format (24 Hours)

- Teams of 1-3 students
- Theme: [TBD]
- Organised on Kaggle

5. Proposed Schedule

Day 1

Time	Activity
18:30 - 19:30	Registration
19:30 - 20:00	Inauguration & Briefing
22:00	Competition Begins
22:00 - 23:30	Session
23:30 - 00:00	Refreshments (Provided)
00:00	phase 1 rankings

Day 2

Time	Activity
00:00	phase 2 starts
00:00 - 06:00	Session
06:00 - 07:30	Tea / Coffee
07:30 - 13:00	Session
13:00 - 14:00	Lunch
14:00 - 17:00	Session
17:00 - 18:00	Snacks
18:00 - 20:00	Final Tuning
20:00	Submissions Close
20:00 - 21:00	Result Declaration & Closing

6. Venue & Infrastructure Requirements (LHC)

Primary Hall

- Seating capacity for ~120 students
- Continuous access for 24 hours
- Adequate lighting and mic etc

Electrical & Internet

- Power sockets for each team
- Extension boards (provided by organizers)
- Stable Wi-Fi connectivity
- Permission for overnight power usage

Security & Safety

- Night security guard arrangement

- Emergency contact list maintained

7. Breaks & Refreshments Plan

Refreshments

- Evening snacks
- Midnight tea/coffee

8. Judging & Evaluation

- Solely based on objective Accuracy and efficiency

9. Prize Pool & Funding

To adequately motivate participation and reward excellence, a prize pool is proposed

Prize Category	Proposed Amount (INR)
First Place	[TBD]
Second Place	[TBD]
Third Place	[TBD]
Total Pool	25000

Funding Sources:

Source	Contribution	Status
RAID Society	**₹25,000**	ACT Budget

10. Rules & Discipline

- Participants must carry valid college ID cards at all times
- Teams must remain within the allotted Competition areas
- Strict adherence to the institute's code of conduct is mandatory
- No food is allowed inside the Lecture Hall Complex (LHC)
- All meals and refreshments must be consumed in designated areas only
- No disturbance to regular college operations
- Overnight stay is strictly limited to approved areas

11. Expected Outcomes

- Enhanced technical exposure for participating students
- Strengthened innovation and AI culture on campus
- Increased collaboration across batches and disciplines
- Possibility of extending promising projects into research, startups, or institute-level tools

12. Permissions Requested

We respectfully request approval for:

- Conducting a 24-hour Kaggle competition

- Allotment of Lecture Hall Complex room
- Permission for overnight access
- Power & internet usage
- Security support during night hours
- Refreshments permissions

13. Conclusion

This hackathon is designed to be academically enriching, well-regulated, and aligned with institutional values. The organizing team assures full responsibility for smooth execution, discipline, and safety throughout the event.

We kindly request approval to proceed with the proposed plan.
