To: Professor-in-Charge (Library), IIT Jodhpur
Through:

- Faculty Advisors, Inter IIT Tech Meet

Subject: Request for co-working space in the Library for the Inter IIT Tech Meet 15.0 contingent

Respected Sir,

The IIT Jodhpur contingent of up to 91 students is preparing for the **Inter IIT Tech Meet 15.0**, to be hosted by IIT Guwahati from 11th to 14th December 2026. The Problem Statements are being released from October onwards, and the teams will work on them, hold regular meetings and rehearse their final presentations over the coming weeks. A common space where the teams can work and meet together is essential for this preparation.

The use of the Library meeting room and co-working spaces for the preparation of the contingent was first discussed with Dr. Kirankumar R. Hiremath, Professor-in-Charge (Library), during the 59th Library Committee meeting. The specifics were subsequently discussed with the Professor-in-Charge and the Assistant Librarian, Chunni Chhatwani, and the use of the following spaces in the Library was agreed upon:

Space	**Purpose**
Discussion room	Mock presentations of the teams and meetings of the contingent
Adjoining rooms	Co-working space for the teams working on the Problem Statements

Period of use: 21st October 2026 to 10th December 2026, the last day before the contingent travels to IIT Guwahati, during the timings permitted by the Library.

Occupancy: As the teams work in turns, at most 30 members of the contingent will use the spaces at any given time.

Requirements:

- A projector in the discussion room for the mock presentations.
- Charging points for laptops and devices in the discussion room and the co-working rooms.
- Seating for up to 30 members, for meetings and individual work.

Responsibility: The Contingent Leader and the Deputy Contingent Leaders will be responsible for

Dr. Bhivraj Suthar
Faculty Advisor, Inter IIT

Dr. Atul Kumar
Faculty Advisor, Inter IIT

Prashant Srivastav
General Secretary, ACT Council

the use of the spaces, and will share the list of contingent members with the Library staff for access. The contingent will follow the rules of the Library, keep the spaces clean, take care of the furniture and equipment, and vacate the rooms when they are needed for other Library activities.

We request your kind approval for the use of the above spaces by the Inter IIT Tech Meet 15.0 contingent for the period mentioned.

Submitted for kind consideration
